

# THE PICTURE HOUSE REEL INSIDER SERIES

FALL 2009 SEASON

**Catch the newest in independent, foreign and documentary film** five evenings each season, including a discussion with an established critic and, often, film talent. Mingle before the screening with fellow film enthusiasts at a complimentary wine and beer reception starting at 7:00 PM. Screenings begin at 7:30 PM.

**Our second season launches on Tuesday, September 22nd with THE BOYS ARE BACK.** Oscar-nominated director Scott Hicks (SHINE) will be present for a discussion hosted by a film critic! In a story both moving and humorous, Clive Owen (INSIDE MAN, CHILDREN OF MEN) plays a journalist, Joe Warr, tragically thrust into single parenthood. Determined to reunite his family with two sons from different marriages, Joe devises a Peter-Pan-like strategy of no rules whatsoever, only to find he has a lot to learn about fatherhood and about himself. Future dates and films announced 3-6 weeks in advance.

## BENEFITS

- Admission to 5 screenings with discussions, September-November
- Complimentary wine and beer reception before the screening
